President’s Letter

Dear Dulaney Community:

Even though the cold and snow are still with us, your PTSA is already looking ahead to late spring, when many of the classrooms in the older parts of our school will become uncomfortably, and in many cases unsafely, overheated.

We all know that Dulaney needs a new building and fields, but unfortunately, these are still years away. So at our February PTSA meeting, we talked about the need to have window AC units installed in the 47 classrooms that will remain without central air conditioning for years to come. Friends of Dulaney, together with Dulaney’s own HVAC experts and others, have confirmed that the building can support these units. We also know that the cost to add them to Dulaney and the few other BCPS schools that still need them is manageable.

We need your help now to encourage the Board of Education to focus on this issue in time, we very much hope, to get them installed before the hot weather arrives in late spring. Please take a few minutes to call or email the Board members about this issue. All you need to say is this:

Dear Chairwoman Causey and Members of the Board:

I am a Dulaney High School parent, writing to ask for your help. Because new buildings for Dulaney and a few other schools are still years away, we have an urgent need for window air conditioning units to make our classrooms safe and effective as learning spaces during the warmer weeks of late spring and early fall. Please expedite any decisions and procurement efforts needed to get those units installed in the next few months.

If possible, add a personal note about how the heat has affected your child(ren).

Click here if you would like more information about Board members. Here are their email addresses:

kCausey@bcps.org, lrowe@bcps.org, cpasteur@bcps.org, jhenn@bcps.org, rhayden@bcps.org, mjo-se@bcps.org, rkuehn@bcps.org, lmack@bcps.org, Rod.McMillion@bcps.org, jofferman@bcps.org, Makeda.scott@bcps.org, hadekoya@bcps.org

Thanks in advance for your help!

Finally, don’t forget to support our two partners: Elite Driving School and The Answer Class SAT prep service, both of which offer services at Dulaney and contribute a portion of the fees they collect back to your PTSA. Elite’s flyer, with its discount coupon, is available in this newsletter, and The Answer Class’s early registration discount for its April classes is available until March 25.

Thanks for all you do to make Dulaney a great school for all of us.

Ring Dance for Class of 2021

The Ring Dance for the Class of 2021 will be held on April 13th, 2019.

They need volunteers to help set up and break down, plus chaperones for the dance.

If you'd like to volunteer to help at the Ring Dance would you please email Ms. Klein, class of 2021 advisor, at aklein@bcps.org?

School Counseling

Save the date for our College Information Night on March 14 at 7:00 PM in the Classic Cafeteria. We will review the college search process and application process. Counselors will do classroom presentations on college planning with juniors on March 6th and 7th.

Seniors: Do not forget to complete your FAFSA by March 1.

Parents of AP students, AP exam registration materials were handed out in February. The sooner you can turn in your form in with payment the better!

Juniors: School Day SAT is April 9. BCPS registers all juniors to take the SAT at their school on this day. Bring #2 pencils and a calculator. If your student would like to take an additional SAT, he or she may register on collegeboard.org. All test dates and locations are listed on their site.

Students should create their own College Board accounts on the College Board web site if they have not already done so.

It was a pleasure meeting with your student to complete their registration requests for the 2019-2020 school year!
Mock Interviews are key to success!

Recycle your Holiday Lights!!!

Recycle Right!!!

Junior Interviews

The School to Career and English Departments are hosting Junior Interview this spring. This is an annual event in which every student in the junior class participates in a mock interview!

At Dulaney we strive to make the interview experience as authentic as possible by inviting members of the local business community to conduct the interviews with our students. We feel that this experience is worthwhile for all students – whether they are planning to look for a summer job or participate in the college interview process.

We strongly encourage parents, alumni and community members to consider volunteering for this event. Interviews will be on March 26 and March 27, from 8am – 11:00am. If you’re interested in volunteering, please email Kate Carter, School to Career coordinator, at: e_carter2@bcps.org.

The Baltimore Science Fair
March 23 & 24, 2019 at Towson University

The Baltimore Science Fair is a Math, Biology, Physical Science, and Engineering research based competition open to all middle and high school students in public, private, parochial, and home schools in Baltimore, Carroll, Cecil, Harford, and Howard Counties and Baltimore Polytechnic Institute in Baltimore City.

Over 150 awards are given out each year by organizations such as the US Army, National Space Society, US Public Health Services, NSA, Raytheon Solipsys, and the US Navy. There are certificates, medallions, cash prizes ranging from $25-$500, etc and even a scholarship to Towson University.

Grand Prize Winners (high school students only) and their teachers go on to compete at ISEF. The top 10% of middle school student projects are entered into the Broadcom Masters National competition with an opportunity to become a national finalist at the Washington DC fair.

DHS PTSA 2019 Grad Gala FUNDrive on Saturday, April 6, 2019
Clean out your closet and help the Grad Gala at the same time!

Mark your calendar for the Dulaney HS Grad Gala FUNDrive on

Saturday, April 6, anytime between 10 am – 2 pm

at Dulaney High School’s lower parking lot (auditorium side)

By donating gently-used clothing, shoes, accessories, linens, and small household items (no furniture), you can help raise funds for the 2019 Grad Gala. Savers will buy the items from us (by weight) with the funds going directly to Grad Gala. This is an alcohol and drug free event that immediately follows the Senior Prom and is free to seniors and their guests. Seniors do not have to attend the prom to attend the Gala.

Start gathering up your donations today!
ATTENTION SENIORS!!!

It’s less than 100 days to graduation and about 80 days until Senior Prom and Grad Gala, our after-prom party, funded, coordinated and hosted by parent volunteers. This year’s Grad Gala takes place on Saturday, May 18 immediately following the senior prom at Timonium Fairgrounds.

Each senior is invited with a guest regardless of whether he/she attended the prom. The event begins at 11:00 p.m. and continues until 2:30 a.m. on Sunday, May 19. There is food and entertainment including a casino, DJ, carnival games and more including the chance to win valuable prizes throughout the evening. This event is alcohol and drug-free designed to help keep our children safe during this critical season where the majority of teen traffic fatalities occur in the United States.

We have been hard at work to fundraise the $25,000 needed to put on this event. We are in the home stretch with some of our biggest fundraisers including the March Madness Giveaway and the congratulatory banners that hang in the Dulaney hallways.

· Family and business donations to help fund Grad Gala are still being accepted and can be made at https://form.jotform.com/82326235895161.

· The Grad Gala needs about 100 volunteers the night of the event with many jobs that are behind the scenes...if you are a senior parent, your child may not even know you are there. All are welcome to volunteer, but you must be a member of the PTSA, which you still have time to get a membership. We are in need of someone to organize our security volunteers including several off-duty police officers. For more details, contact Beverly Weller and Kristi Kresslein at gala.volunteers19@gmail.com.

We can’t thank you enough for your ongoing support. In the end, we all want to keep our children safe and out of harm’s way. This is why we have already spent countless hours making sure the Grad Gala is a not to be missed event for the Class of 2019. We hope that you consider supporting or volunteering to be a part of this event.

Sincerely,

The Grad Gala Committee

HELP WANTED

For more information about any of these, contact PTSA Volunteer Coordinator Dawn Stellmann librarylass123@gmail.com or PTSA President Sue Battle-McDonald suebattle@yahoo.com

1. Help us form a new "Devices in Schools" committee to follow issues associated with the assigned BCPS devices, and also to consider related issues such as health implications, research relating to device usage for education, and options for limiting cellphone usage during the school day.

2. These committees have chairs who can use help:
   - Beautification - gardening and sprucing up the school grounds
   - Hospitality – contribute to, or work at, events at school for teachers and staff
   - Advocacy - many opportunities depending on your areas of interest
   - Prevention Partners - grant-funded substance abuse prevention activities

4. A number of national organizations offer resources and programs that we would love to bring to Dulaney; we just need volunteers to take the lead. Three examples are below; you may find others that interest you:

   Help prevent Nature Deficit Disorder! Lead Dulaney in developing green schoolyard spaces.
   https://www.childrenandnature.org/initiatives/schoolyards/what-is-a-green-schoolyard/

   Sandy Hook Promise - to prevent gun violence - Dulaney needs a "Promise Leader"
   Promise Leaders

   We would love to have a Dulaney coordinator for Youth Mental Health Matters Week in the spring. This is a great Maryland program, and school coordinators, called "Champions", are needed.
