

Dulaney High School
Community School Progress Summary 2019-2020
Sam Wynkoop, Principal

<p>BCPS Vision:</p> <p>Baltimore County Public Schools will be among the highest performing school systems in the nation as a result of creating, sustaining, and investing in excellence for every student, every school, and every community.</p>	<p>School Mission: Dulaney is built upon the rock—a strong, supportive foundation based on tradition to encourage our students to give their best efforts day in and day out to achieve their goals. When students enter Dulaney, they strive to uphold the values of excellence, unity, diversity, and tradition that the rock embodies. Dulaney prepares young men and women for college and careers by providing rigorous classes, compassionate staff, and a safe learning environment. Students use the power of education to not only better themselves, but to better the world. Dulaney, like the rock, connects past, current, and future students.</p>
