Parents

If you would like to be a part of the Grad Gala committee or **volunteer please email Kristen Sheppy**. There are many volunteer opportunities.

*** The Grad Gala is an after Prom event that is dedicated to keeping our kids safe and off the streets. It is sponsored by parent volunteers, local community members and local businesses.

We need everyone's support, including families from all grades. We especially like to get volunteers from not only the senior class but also the junior class. It is a very busy night and our senior parents would like the opportunity to take pictures and be available for their seniors pre-prom events. So please, anyone interested in helping out let us know.

Thank you,
