

SAT Writing Essay Pamphlet Statement of Purpose

All U.S. History students will receive a SAT Writing Essay Pamphlet which will include instruction and practice for writing the SAT essay. The writing portion of the SAT contains a 25 minute essay section. This essay accounts for approximately 1/3 of the writing section, therefore students should be prepared to write an effective and coherent essay.

Students will write three essays in the course of the year, the first in early November, the second at midterm and the third in the spring prior to the May SAT. Students will receive intensive instruction on the scoring rubric, vocabulary development and use of historical and literary examples.
